SCHOOL SUPPLY LISTS

2021-2022 SCHOOL YEAR

2020-2021 SCHOOL SUPPLIES

This year we are changing school supplies to be individual rather than community/classroom supplies. We have paired down the school supply lists to just what each student will personally need. We would ask that you check your students pencil box/pouch regularly to make sure they have the items they need. If a glue stick or pencil runs out, please make sure to replace it so your student is always prepared with the supplies they need.
